Attachments: RIMG0022.JPG; RIMG0023.JPG

Sherrie,

Email number 19 is the final email for case file. I didn't send the labels that were attached for this case. If you wish to have those labels, please let me know and I will send. If any questions, please let me know. Again I apologize for having to send this way, but I kept receiving an error message when trying to send in a different format.
